top reasons to rent

- 1** Your nearby rental store is like an unending, well-organized closet filled with furnishings, tents, utensils and more that you didn't have to buy.
- 2** Why buy or borrow dozens or hundreds of mismatched chairs and china when you can simply rent everything you need for the look you want?
- 3** Wedding ceremonies and receptions, graduation parties, family reunions — events come in different sizes and styles, and so does everything available at your rental store.
- 4** Let someone else handle the maintenance, upkeep and storage.
- 5** Renting lets you concentrate on the event and enjoyment rather than spending time buying or borrowing tables, serving items and more.
- 6** Chairs, tables, linens, glassware, flatware — get the exact amount you need to match the size of any event.
- 7** Get exactly what you need and want rather than trying to “make do” with something else.
- 8** Delivery options and set-up assistance are often available, saving you time and helping to provide peace of mind.
- 9** Save time and hassle by taking supplies from the rental store straight to the party site rather than creating a storage area for purchased and borrowed items.
- 10** Unless you'll use the items often for a long time, renting is always more cost effective.
